### Delivery Strategy

Customised Training offers a variety of delivery options including classroom based and on-the-job, allowing participants the freedom to complete this qualification at their own pace under the guidance of one of our trainers. Participants will also be required to complete written assessment tasks.

### Prerequisites

Certificate II in Transport & Logistics (Warehousing and Storage) is required for this qualification, however participants who have had sufficient employment experience relevant to this level of qualification, typically in order of two years, would be a satisfactory indicator.

### Learning Pathway

Customised Training encourages you to continue learning through either formal or informal pathways. Informal ways of learning include finding a mentor, becoming a member of your industry association or participating in short courses. The formal pathway for this qualification is the Certificate IV in Transport & Logistics (Warehousing and Storage) TLI40107 or you may want to consider a higher education degree or diploma. A helpful career website to refer to is [www.myfuture.gov.au](http://www.myfuture.gov.au)

### Recognition of Prior Learning/ Recognition of Current Competency

Recognition of Prior Learning/ Recognition of Current Competency enable a participant to receive recognition for the current skills, knowledge and experience they possess regardless of where the learning was obtained. These skills can be gained from:

- Previous study
- Work experience
- General life experience
- Prior qualifications and/or results

RPL/RCC ensures the knowledge and skills previously gained are applied to the qualification criteria. RPL/RCC can assist in identifying what training may be required to complete the qualification, avoiding any unnecessary training.

Participants are encouraged to discuss possible RPL/RCC application prior to commencement of training
